Children's Christmas Party

Come Christmas season and it is a time for Santa Claus to spread some cheer. For the third year consecutively our Corporate partner - KraftHeinz hosted a Christmas party for the children of Ghanshyamdas Poddar Vidyalaya. Around 400 children and faculty members participated in the celebrations. The children sang and danced with Santa Claus, who distributed goodies and snacks to all of them. Yummy chocolate Complan Health Drink was distributed to all, with the children eagerly asking for second and third helpings!

We thank the KraftHeinz India team for all their efforts and generosity and in helping spread some cheer to the children of Ghanshyamdas Poddar Vidyalaya.

Mumbai Mobile Creches:

Mumbai Mobile Creches (MMC) works to provide migrant children on construction sites a safe, happy and healthy childhood. MMC implements comprehensive programmes for the children of construction workers and other low income communities between the ages 0-14 which focus on their overall education and cognitive, emotional, moral, physical and social development.

Mumbai Mobile Creche’s daycare centres are located on construction sites. Nutrition for such children is something that is mostly lacking in the little food they eat. In a unique initiative Annamrita Foundation has tied up with Mumbai Mobile Creches to provide meals to the children of the construction site workers. Around 600 children across construction sites located in Ghodbunder, Mumbai Central, Vikhroli, Virar and Airoli now receive healthy filling Annamrita meals.
